Bio

Dr. Salil K Sen is with the NIDA Business School at the National Institute of Development Administration, Bangkok. Salil's inspiration is the Practice of Sustainability developed with the Earth Institute at Columbia University, New York in partnership with institutions in India, China, Singapore, Malaysia, Canada and Ecuador. A passionate researcher, sustainability consultant and faculty, Salil's endeavor is to research the equivalence between W.W.E_Own = "We_Own", where, W.W.E_Own is Water Waste Energy Ownership for sustainability. He has a blend of industry, teaching and consulting experience in South Asia, Southeast Asia, East Asia, West Africa and Southern California.
